South Carolina and is the Property, as defined above and as more particularly described and shown on the Map.

Section 2.2. Additions to the Property.

(a) Declarant may cause Additional Property to be made subject to the terms and scheme of this Declaration by filing a Supplemental Declaration in the Office of the Clerk of Court for Oconee County, containing a description of the Additional Property and a statement by the Declarant of its intent to extend the operation and effect of this Declaration to the Additional Property. Declarant may also cause additional Piers and Boatslips adjacent to the Common Open Space between Lots 8 and 9 or any Additional Property to be constructed and made subject to the terms and scheme of this Declaration by the Filing of a Supplemental Declaration describing the number of Boatslips to be added and a statement by Declarant of its intent to extend the operation and effect of this Declaration to the additional Boatslips. Notwithstanding the foregoing, the covenants and restrictions established herein as applied to or imposed upon the Additional Property may be altered or modified by the Supplemental Declaration as provided in Subparagraph (b) below.

(b) Any Supplemental Declaration may contain complementary additions to the covenants and restrictions contained herein as may be necessary in the judgment of the Declarant to reflect the different character of the Additional Property. In no event, however, shall any Supplemental Declaration revoke, modify or add to the covenants and restrictions contained herein with respect to the Property, nor revoke, modify, change or add to the covenants and restrictions established by previously filed Supplemental Declarations, without meeting the requirements for Amendment set forth in Section 12.3 of this Declaration.

ARTICLE 3

PROPERTY RIGHTS

Section 3.1. Ownership of Common Areas. Declarant shall convey to the Association the Common Areas to be owned by the Association. Notwithstanding the recordation of any Map or any other action by Declarant or the Association, all Common Areas (except for the Public Road upon its acceptance for public maintenance) shall remain private property and shall not be considered as dedicated to the use and enjoyment of the public.

Section 3.2. Owners' Rights to Use and Enjoy Common Areas. Each Owner shall have the non-exclusive easement and right to use and enjoy the Common Areas which shall be

appurtenant to and shall pass with the title to his Lot, subject to the following:

(a) the right of the Association to promulgate and enforce reasonable regulations governing the use of the Common Areas to ensure the availability of the right to use the Common Areas to the Owners and the safety of all Owners on the Common Areas;

(b) the right of the Association to suspend the voting rights of an Owner in the Association and the right of the Association to suspend the right to use certain or all of the Common Areas by an Owner for any period during which any assessment against his Lot remains unpaid, and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(c) the right of the Declarant or the Association to grant utility, drainage and other easements across the Common Areas;

(d) the Pier, Boatslips and Boatslip Path may be used only by those Owners specifically entitled thereto pursuant to this Declaration; access for the Boatslip Owners to and from the Pier and Boatslips shall be exclusively over and across the Boatslip Path;

(e) the provisions of Section 4.8 below; and

(f) the provisions of Article 8 of this Declaration.

Section 3.3. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Areas and facilities located thereon to the members of his family, his guests, or tenants occupying the Owner's lot pursuant to a lease agreement.

ARTICLE 4

THE ASSOCIATION

Section 4.1. Membership. Every Owner of a Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from the ownership of any Lot.

Section 4.2. Classes of Lots and Voting Rights. The voting rights of the Members shall be appurtenant to the ownership of Lots. There shall be two classes of Lots with respect to voting rights:

(a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as defined below. Each Class A Lot

shall entitle the Owner(s) of said Lot to one (1) vote. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to said Lot shall be exercised as they, among themselves, determine, but in no event shall more than one (1) vote be cast with respect to any Class A Lot.

(b) Class B Lots. Class B Lots shall be all Lots owned by Declarant or its affiliates or an Approved Builder. Each Class B Lot shall entitle the Owner of said Lot to four (4) votes for each Class B Lot owned by it.

Section 4.3. Relinquishment of Control. The Class B Lots shall automatically convert to Class A Lots on the happening of either of the following events, whichever occurs earlier:

- (a) when the number of votes in the Class A membership held by Owners occupying full-time homes in the Subdivision equals the total number of votes outstanding in the Class B membership and no Additional Property remains which may be made subject to the terms of this Declaration; or
- (b) upon the expiration of five (5) full years after the recordation of this Declaration, unless Declarant, in its sole discretion, elects to convert the Class B Lots to Class A Lots at an earlier time.

Section 4.4. Availability of Documents. The Association shall maintain current copies of the Declaration, the Bylaws and other rules concerning the Development as well as its own books, records, and financial statements available for inspection by all Owners, Mortgagees and insurers and guarantors of Mortgages that are secured by Lots. All such documents shall be available upon reasonable notice and during normal business hours. In addition, any Mortgagee may, at its own expense, have an audited statement prepared with respect to the finances of the Association.

Section 4.5. Management Contracts. The Association is authorized and empowered to engage the services of any person, firm or corporation to act as managing agent of the Association at a compensation to be established by the Board of Directors and to perform all of the powers and duties of the Association. Provided, however, that the term of any such agreement with a managing agent shall not exceed one (1) year and shall only be renewed by agreement of the parties for successive one (1) year terms. Any such contract shall be terminable by the Association with or without cause upon ninety

(90) days' prior written notice to the manager without payment of a termination fee.

Section 4.6. Maintenance. Prior to its acceptance for public maintenance, the Public Road shall be maintained by the Association, provided that the Declarant, in its sole discretion, has the right to reimburse the Association for maintenance cost until the Public Road is accepted for maintenance by the Oconee County Public Works Department or other governmental entity. Such maintenance shall include repair and reconstruction, when necessary. Maintenance of the Public Road shall conform to the standard of maintenance (if one is ascertainable) which would be required by the Oconee County Public Works Department or other governmental entity before it would accept such Public Road for maintenance.

The Common Areas, together with all utilities, easements and amenities located within the Common Areas and not otherwise maintained by public entities or utilities, shall be maintained by the Association.

(a) Maintenance of the Entrance Monument shall include maintenance, repair and reconstruction, when necessary, of the stone monuments, signage, irrigation, planters and lighting which may be located thereon and providing and paying for landscaping, utility charges for irrigation and lighting of any stone monuments or signage located thereon;

(b) Maintenance of the Pier and Boatslips shall include the maintenance, repair and reconstruction, when necessary, of the Pier and Boatslips, including all structures, lighting, water lines and other fixtures, wire, railings and other facilities located thereon and providing and paying for utility charges therefore;

(c) All Common Areas, including, but not limited to, the Entrance Monument, Pier, Boatslips and Boatslip Path, shall be clean, free from debris and maintained in an orderly condition, together with the landscaping thereon (if any) in accordance with the highest standards for private parks, including any removal and replacement of any landscaping, utilities, or improvements located thereon;

(d) Maintenance of the Boatslip Path shall include repair, maintenance, and reconstruction, when necessary, of the path; irrigation and landscaping, as necessary, including payment of the utility costs incurred as a result of such lighting and irrigation (if any); and

(e) The Association shall not be responsible for the maintenance of any Lot or any portion of any Lot or the

improvements within the boundaries thereof. The Owners of such Lots shall be responsible for same.

Section 4.7. Reserve Fund. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements located on all Common Areas which the Association is obligated to maintain and in order to fund unanticipated expenses of the Association or to acquire equipment or services deemed necessary or desirable by the Board of Directors. Such reserve fund shall be collected and maintained out of the Annual Assessments and Boatslip Assessments, as hereinafter defined and as set forth in Section 5.2(g) and Section 6.2(g).

Section 4.8. Pier, Boatslips and Boatslip Path. Declarant shall have the exclusive right to construct the Pier and Boatslips, in the approximate location shown on the Map and on Exhibit "C", as well as any additional Piers or Boatslips which may be added to the Development in the future pursuant to the provisions of this Declaration. Declarant may in its sole discretion, transfer this right to construct to Approved Builder(s).

(a) Upon the construction of the Pier and Boatslips as set forth above, Boatslips shall be designated for the exclusive use of the Owners of certain Lots and transferred among Owners as follows:

(i) In a recorded deed or other recorded instrument, Declarant or Approved Builder may designate one numbered Boatslip as an appurtenance to any individual Lot. The Lot to which a Boatslip is designated as an appurtenance shall thereafter be a Boatslip Lot subject to the provisions of subparagraph (a)(ii) below. Such recorded deed or other recorded instrument shall operate to grant the Boatslip Lot Owner the exclusive right and license to use the designated Boatslip. The creation of a Boatslip Lot shall be conclusively deemed to establish a valid sublease of the designated Boatslip from the Association to the Boatslip Lot Owner for as long as such Lot shall remain a Boatslip Lot. Once designated in such deed or other recorded instrument, the exclusive right to use the designated Boatslip shall not be separated from ownership of the Boatslip Lot to which it is appurtenant, but, rather, shall run with the title to such Boatslip Lot unless and until the right to use the designated Boatslip is conveyed by recorded deed or other recorded instrument as set forth in subparagraph (a)(ii) below. Any deed, deed of trust, mortgage, transfer or other conveyance or encumbrance of a Boatslip Lot shall also transfer, convey or encumber (as the case may be) the right to use the Boatslip appurtenant thereto, even if not expressly included therein.

(ii) The exclusive right to use a particular Boatslip may be conveyed by recorded deed or other recorded instrument to another Owner. Upon such conveyance, the transferor's Lot shall cease to be a Boatslip Lot and the transferee's Lot shall thereafter be a Boatslip Lot, in which case the right to use the transferred Boatslip shall then run with the title to such Boatslip Lot as set forth in subparagraph (a)(i) above. A Boatslip may not be conveyed, assigned or leased to anyone or any entity other than an Owner.

(b) Declarant and Approved Builder shall have the right to use and shall have the obligation to pay Boatslip and Special Boatslip Assessments on any Boatslips constructed by Declarant and not conveyed to another Owner or the Association.

(c) In the event that the Pier contains more Boatslips than there are Boatslip Lots in the Subdivision, then any Boatslip which is not designated as an appurtenance to a Boatslip Lot shall remain the property of the Association. Such an undesignated Boatslip shall be owned by the Association for the common use and enjoyment only of the Owners of Boatslip Lots, their families, guests and invitees, for the purpose of temporarily docking boats, and may not be leased by the Association to, or used by, any other party or the public. No boat or other recreational vehicle shall be permitted to remain overnight in any undesignated Boatslip.

The use of the Pier and Boatslips is and shall be subject to each of the following:

- (i) rules and regulations for use promulgated by the Association;
- (ii) all laws, statutes, ordinances and regulations of all federal, state and local governmental bodies having jurisdiction thereon; and
- (iii) rules and regulations for use established by Duke Power Company, its successors and assigns.

(d) The Board of Directors, pursuant to the Bylaws attached hereto as Exhibit "B", shall adopt rules and regulations governing the use of the Pier, Boatslips and Boatslip Path and the personal conduct thereon of the Members owning Boatslip Lots and their families, guests, invitees and tenants. Should Members owning Boatslip Lots desire to amend such rules and regulations, then a meeting of the Members owning Boatslip Lots may be called and held, in accordance with Article 3 of the Bylaws, for the purpose of voting to amend such rules and regulations. If such a meeting is duly called and held, the Boatslip Lot Owners may direct the Board of

Directors to make such amendments to the rules and regulations governing the use of the Pier, Boatslips and Boatslip Path, including additions to and deletions of portions of such rules and regulations, as are approved by a vote of the Members owning Boatslip Lots, in accordance with Article 3 of the Bylaws, and as are permitted under the Association's lease with Duke Power Company as to the lake bed over which the Pier and Boatslips are located.

(e) The Pier, Boatslips and Boatslip Path may only be used by Owners of Boatslip Lots, their families, guests, invitees or tenants occupying the Boatslip Lot pursuant to a lease agreement. Each Boatslip may only be used by the Owner(s) of the Boatslip Lot to which such Boatslip is appurtenant, their families, guests, invitees or tenants occupying the Boatslip Lot pursuant to a lease agreement.

ARTICLE 5

COVENANT FOR ANNUAL AND SPECIAL ASSESSMENTS

Section 5.1. Creation of the Lien and Personal Obligation for Annual, Special and Special Individual Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association Annual Assessments, Special Assessments and Special Individual Assessments, as hereinafter defined, established and collected as hereinafter provided. Any such assessment or charge, together with interest, costs, and reasonable attorneys' fees, shall be a charge and a continuing lien upon the Lot against which each such assessment or charge is made. Each such assessment or charge, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments or charges shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 5.2. Purpose of Annual Assessments. The assessments to be levied annually by the Association against each Lot ("Annual Assessments") shall be used as follows:

- (a) to repair, clean, maintain and reconstruct, when necessary, the Common Areas (excluding the Pier, Boatslips and Boatslip Path) as more particularly set forth in Section 4.6 of this Declaration;
- (b) to maintain or cause to be maintained the Public Road to the standard of maintenance (if one is

ascertainable) which would be required by the Oconee County Public Works Department or other governmental entity before it would accept such Public Road for maintenance;

- (c) to pay all costs associated with the lease of the Street Lights, including, but not limited to, monthly lease payments and utility costs;
- (d) to pay all ad valorem taxes levied against the Common Areas and any other property owned by the Association (other than the Pier, Boatslips and Boatslip Path and any other property owned in connection therewith);
- (e) to pay the premiums on all insurance carried by the Association pursuant hereto or pursuant to the Bylaws, except for such insurance carried specifically in connection with the Pier, Boatslips and Boatslip Path;
- (f) to pay all legal, accounting and other professional fees incurred by the Association in carrying out its duties as set forth herein or in the Bylaws, except for such fees incurred specifically in connection with the Pier, Boatslips and Boatslip Path; and
- (g) to maintain contingency reserves as to the amounts described in subsection (a) and (b) above for the purposes set forth in Section 4.7 hereof in amounts as determined by the Board of Directors.

Section 5.3. Payment of Annual Assessments; Due Dates.

The Annual Assessments provided for herein shall commence as to each Lot on January 1, 1995. The Annual Assessments for the calendar year beginning January 1, 1995 shall be Two Hundred Sixty Five Dollars (\$265.00) per Lot, which amount shall be due and payable in advance no later than January 31, 1995. The Annual Assessments for each and every year beginning each January 1 thereafter shall be in an amount as set by the Board of Directors, in accordance with Section 5.4, and shall be due and payable no later than January 31 of each such calendar year. The Board of Directors shall fix the amount of the Annual Assessment as to each Lot for any calendar year at least thirty (30) days prior to January 1 of such calendar year, and the Association shall send written notice of the amount of the Annual Assessment to each Owner on or before January 1 of such year. Failure of the Association to send the notice described in this Section 5.3 shall not relieve the Owners of their liability for Annual Assessments. The Board of Directors shall have the right, but not the obligation, to collect the Boatslip Assessments on a semi-annual basis if it elects to do so at some future date. Notwithstanding the foregoing, the Board of

Directors may alter the dates of the fiscal year for setting the Annual Assessments and may alter the collection dates for the Annual Assessments in any manner not inconsistent with this Article. Furthermore, the Association may increase or decrease the frequency of collection of Annual Assessments in any reasonable manner.

Section 5.4. Maximum Annual Assessment.

(a) For calendar years beginning January 1, 1996 and thereafter, the Board of Directors, by a vote in accordance with the Bylaws, without a vote of the Members, may increase the Annual Assessments each year by a maximum amount equal to the previous year's Annual Assessments times the greater of (1) ten percent (10%), or (2) the annual percentage increase in the Consumer Price Index, All Urban Consumers, United States, All Items (1982-84 = 100) (hereinafter "CPI") issued by the U.S. Bureau of Labor Statistics for the most recent 12-month period for which the CPI is available. If the CPI is discontinued, then the index most similar to the CPI which is published by the United States Government indicating changes in the cost of living shall be used instead. If the Annual Assessments are not increased by the maximum amount permitted under the terms of this provision, the difference between any actual increase which is made and the maximum increase permitted for that year shall be computed and the Annual Assessments may be increased by that amount in a future year, in addition to the maximum increase permitted under the terms of the preceding sentence for such future year, by a vote of the Board of Directors, without a vote of the Members.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the Maximum Annual Assessment may be increased above the maximum amount set forth in (a) above by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the Annual Assessments at an amount not in excess of the maximum set forth in Subparagraph (a) above (the "Maximum Annual Assessment"). If the Board of Directors shall levy less than the Maximum Annual Assessment for any calendar year and thereafter, during such calendar year, determine that the important and essential functions of the Association cannot be funded by such lesser assessment, the Board may, by vote of the Board of Directors, without a vote of the Members, levy a supplemental Annual Assessment ("Supplemental Annual Assessment"). In no event shall the sum of the Annual and Supplemental Annual Assessments for any year exceed the applicable Maximum Annual Assessment for such year.

Section 5.5. Special Assessments for Capital Improvements. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a special assessment ("Special Assessment") applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of the Public Road, Street Lights or Entrance Monument, including fixtures and personal property related thereto. Provided that any such assessment must be approved by a vote of no less than two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5.6. Special Individual Assessments. In addition to the Annual Assessments and Special Assessments authorized above, the Board of Directors shall have the power to levy a special assessment applicable to any particular Lot Owner ("Special Individual Assessment") (i) for the purpose of paying for the cost of any construction, reconstruction, repair or replacement of any damaged component of the Common Areas, including the Public Road (prior to its acceptance for public maintenance), occasioned by any act or omission of such Lot Owner(s), members of such Lot Owner's family, or such Lot Owner's agent, guests, employees, invitees or Tenants and not the result of ordinary wear and tear, or (ii) for payment of fines, penalties or other charges imposed against any particular Lot Owner relative to such Lot Owner's failure to comply with the terms and provisions of this Declaration, the Bylaws or any rules or regulations promulgated by the Association or the Declarant pursuant to this Declaration or the Bylaws. Provided, however, that Declarant shall not be obligated to pay any Special Individual Assessment except with Declarant's prior written approval. The due date of any Special Individual Assessment levied pursuant to this Section 5.6 shall be fixed in the Board of Directors resolution authorizing such Special Individual Assessment. Upon the establishment of a Special Individual Assessment, the Board shall send written notice of the amount and due date of such Special Individual Assessment to the affected Owner(s) at least thirty (30) days prior to the date such Special Individual Assessment is due.

Section 5.7. Assessment Rate.

(a) With the exception set forth in subsection (b) below, both Annual and Special Assessments must be fixed at a uniform rate for all Lots;

(b) Annual and Special Assessments for each Lot owned by Declarant or by an Approved Builder and unoccupied as a residence shall be one-third (1/3) of the Annual and Special

Assessments for each other Lot in the Subdivision not owned by Declarant, or an Approved Builder.

ARTICLE 6

COVENANT FOR BOATSLIP AND SPECIAL BOATSLIP ASSESSMENTS

Section 6.1. Creation of the Lien and Personal Obligation for Boatslip and Special Boatslip Assessments. Declarant, for each Boatslip Lot owned within the Property, hereby covenants, and each Owner of any Boatslip Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, or by acceptance of any other recorded instrument which designates a Boatslip as an appurtenance to such Owner's Lot as more particularly set forth in Section 4.8 of this Declaration is deemed to covenant and agree to pay to the Association, in addition to the Annual and Special Assessments provided for herein, Boatslip Assessments and Special Boatslip Assessments, as hereinafter defined, for maintenance and repair costs of the Pier, Boatslips and Boatslip Path established and collected as hereinafter provided. Any such assessment or charge, together with interest, costs, and reasonable attorneys' fees, shall be a charge and a continuing lien upon the Boatslip Lot against which each such assessment or charge is made and upon the right to use the Pier and the Boatslip appurtenant to such Boatslip Lot. Each such assessment or charge, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Boatslip Lot effective at the time when the assessment fell due. The personal obligation for delinquent assessments or charges shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 6.2. Purpose of Boatslip Assessments. The assessments to be levied annually by the Association against each Boatslip Lot ("Boatslip Assessments") shall be used as follows:

- (a) to clean, maintain, repair and reconstruct, when necessary, the Pier, Boatslips and Boatslip Path, including all lighting and other fixtures, wires, railings and other facilities located thereon, including the maintenance, repair, and replacement, when necessary, of any landscaping around such Pier or Boatslips (including the landscaping and maintenance of the Boatslip Path), as more particularly set forth in Section 4.6 of this Declaration;
- (b) to provide and pay for lighting of the Pier, Boatslips and Boatslip Path, to the extent necessary for the safety and enjoyment of the users thereof;

- (c) to pay all ad valorem taxes levied against the Pier and Boatslips and any other property owned by the Association in connection therewith;
- (d) to pay all lease payments, if applicable, to Duke Power Company for the lease of the land on which the Pier and Boatslips are located;
- (e) to pay the premiums on all insurance carried by the Association in connection with the Pier, Boatslips and Boatslip Path pursuant hereto or pursuant to the Bylaws;
- (f) to pay all legal, accounting and other professional fees incurred by the Association in carrying out its duties as set forth herein or in the Bylaws in connection with the Pier, Boatslips and Boatslip Path; and
- (g) to maintain contingency reserves as to the amounts described in subsection (a) and (b) above for the purposes set forth in Section 4.7 hereof in amounts as determined by the Board of Directors.

Section 6.3. Payment of Boatslip Assessments: Due Dates.
The Boatslip Assessments provided for herein shall commence and be due and payable annually in advance as to each Boatslip Lot on January 1, 1995. Boatslip Assessments for Boatslips not constructed by January 1, 1995 shall be due and payable thirty (30) days following the assignment of a completed Boatslip to a Boatslip Lot as set forth in Section 4.8 of this Declaration (such assessment shall be prorated from the date of such assignment through the remainder of the calendar year for which such assessment is due). The Boatslip Assessments for the year beginning January 1, 1995 shall be Three Hundred Ninety Dollars (\$390.00) per Boatslip Lot, which amount shall be due and payable in advance no later than January 31, 1995. The Boatslip Assessments for each and every year thereafter shall be in an amount as set by the Board of Directors, in accordance with Section 6.4, and shall be due and payable no later than January 31 of each such year. The Board of Directors shall fix the amount of the Boatslip Assessment as to each Boatslip Lot for any year at least thirty (30) days prior to January 1 of such year, and the Association shall send written notice of the amount of the Boatslip Assessment to each Boatslip Lot Owner on or before January 1 of such year. Failure of the Association to send the notice described in this Section 6.3 shall not relieve the Owners of their liability for Boatslip Assessments. The Board of Directors shall have the right, but not the obligation, to collect the Boatslip Assessments on a semi-annual basis if it elects to do so at some future date.

Notwithstanding the foregoing, the Board of Directors may alter the dates of the fiscal year for setting the Boatslip Assessments and may alter the collection dates for the Boatslip Assessments in any manner not inconsistent with this Article. Furthermore, the Association may increase or decrease the frequency of collection of Boatslip Assessments in any reasonable manner.

Section 6.4. Maximum Boatslip Assessment.

(a) For calendar years beginning January 1, 1996 and thereafter, the Board of Directors, by a vote in accordance with the Bylaws, without a vote of the Members, may increase the Boatslip Assessments each year by a maximum amount equal to the previous year's Boatslip Assessments times the greater of (1) ten percent (10%), or (2) the annual percentage increase in the Consumer Price Index, All Urban Consumers, United States, All Items (1982-84=100) (hereinafter "CPI") issued by the U.S. Bureau of Labor Statistics for the most recent 12-month period for which the CPI is available. If the CPI is discontinued, then the index most similar to the CPI which is published by the United States Government indicating changes in the cost of living shall be used. If the Boatslip Assessments are not increased by the maximum amount permitted under the terms of this provision, the difference between any actual increase which is made and the maximum increase permitted for that year shall be computed and the Boatslip Assessments may be increased by that amount in a future year, in addition to the maximum increase permitted under the terms of the preceding sentence for such future year, by a vote of the Board of Directors, without a vote of the Members.

(b) From and after January 1 of the year immediately following the conveyance of the first Boatslip to an Owner, the Boatslip Assessments may be increased without limitation if such increase is approved by a vote of no less than two-thirds (2/3) of each class of Members owning Boatslip Lots, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the Boatslip Assessments at an amount not in excess of the maximum set forth in subparagraph (a) of this Section 6.4 (the "Maximum Boatslip Assessment"). If the Board of Directors shall levy less than the Maximum Boatslip Assessment for any calendar year and thereafter, during such year, determine that the important and essential functions of the Association as to the Pier, Boatslips and Boatslip Path cannot be funded by such lesser assessment, the Board may, by a vote of the Board of Directors, without a vote of the Members, levy a supplemental Boatslip Assessment ("Supplemental Boatslip Assessment"). In no event shall the sum of the Boatslip and Supplemental Boatslip

Assessments for any year exceed the applicable Maximum Boatslip Assessment for such year.

Section 6.5. Special Assessments for Boatslip Improvements. In addition to the Boatslip Assessments authorized above, the Association may levy, in any assessment year, a special Boatslip Assessment ("Special Boatslip Assessment") applicable to that year only for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of the Pier, Boatslips and Boatslip Path, and any capital improvement located thereon, including lighting and other fixtures, poles, wires, railings and other facilities located thereon and personal property related thereto. Provided that any such assessment must be approved by a vote of no less than two-thirds (2/3) of each of class of Members owning Boatslip Lots, taken at a duly held meeting of such Members in accordance with the Bylaws, and further providing that any such Special Boatslip Assessment may be levied only against the Owners of Boatslip Lots.

Section 6.6. Assessment Rate.

(a) With the exception set forth in subsection (b) below, both Boatslip and Special Boatslip Assessments must be fixed at a uniform rate for all Boatslip Lots;

(b) Boatslip and Special Boatslip Assessments for each Boatslip Lot owned by Declarant or an Approved Builder and unoccupied as a residence shall be one-third (1/3) of the amount of the Boatslip and Special Boatslip Assessments applicable to each other Boatslip Lot in the Subdivision not owned by Declarant or an Approved Builder.

ARTICLE 7

GENERAL ASSESSMENT PROVISIONS

Section 7.1. Certificate Regarding Assessments. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 7.2. Effect of Nonpayment of Assessments: Remedies of the Association. Any Annual or Boatslip Assessment installment not paid by its due date as set forth in Section 5.3 or Section 6.3 hereof, or any other assessment not paid by its due date, shall bear interest from such due date at the rate of eighteen percent (18%) per annum or the highest rate

then permitted by law, whichever is less. In addition to such interest charge, the delinquent Owner shall also pay such late charge as may have been theretofore established by the Board of Directors to defray the costs arising because of late payment. The Association may bring an action at law or in equity against the delinquent Owner and may foreclose the lien against the Lot and the right to use a Boatslip, if applicable, and interest, late payment charges, costs and reasonable attorney's fees related to such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by not using the Common Areas and/or such Owner's Boatslip, if applicable, or by abandoning such Owner's Lot.

Section 7.3. Subordination of the Lien to Mortgages. The lien of the assessments provided for in Articles 5 and 6 of this Declaration shall be subordinate to the lien of any first Mortgage on a Lot or any mortgage or deed of trust to the Declarant. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to mortgage foreclosure, or any proceeding in lieu thereof, however, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer; provided, however, that the Board of Directors may in its sole discretion determine such unpaid assessments to be an Annual, Special, Boatslip or Special Boatslip Assessment, as applicable, collectable pro rata from all Owners (or from all Boatslip Lot Owners in the case of a Boatslip or Special Boatslip Assessment), including the foreclosure sale purchaser. Such pro rata portions are payable by all Owners (or all Boatslip Lot Owners if a Boatslip or Special Boatslip Assessment) notwithstanding the fact that such pro rata portions may cause the Annual Assessment or Boatslip Assessment to be in excess of the Maximum Annual Assessment, Maximum Boatslip Assessment permitted hereunder. No sale or transfer shall relieve the purchaser of such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the lien provided for herein shall continue to be subordinate to the lien of any mortgage or deed of trust as above provided.

ARTICLE 8

RESTRICTIONS

Section 8.1. Land Use, Building Type and Residential Restrictions. All Lots in the Subdivision shall be known and described as residential lots and shall be used only for private residential and recreational purposes. No structure shall be erected, altered, placed or permitted to remain on any Lot other than for use as a single family residential dwelling,

unless otherwise provided herein, and only one single-family residential dwelling not exceeding 2½ stories in height above ground shall be erected or permitted to remain upon any Lot. No mobile home, modular home or shell home may be erected or permitted to remain on any Lot. A private garage, outbuildings, fixed pier and floating boat dock facilities incidental to the residential use of the Lot are expressly permitted upon the condition that they are not rented, leased nor otherwise used for remuneration, subject to the other covenants and restrictions contained herein. No detached garage or outbuildings shall at any time be used as a residence. Furthermore, no boat (including a houseboat), whether existing on a Lot or docked at a fixed pier or floating boat dock which is appurtenant to any Property in the Subdivision, may at any time be used as a residence.

Section 8.2. Dwelling Size. The square footage requirements hereinafter set forth are enclosed heated floor area and are exclusive of the area in unfinished basements, unheated porches of any type, attached or detached garages, carports, and unheated storage areas, decks or patios.

(a) For Waterfront Lots: Any one story dwelling erected upon any Waterfront Lot shall contain not less than 1600 square feet; any 1½ story or bi-level or tri-level dwelling shall contain not less than 1800 square feet with at least 1000 square feet on the first floor in 1½ story dwellings, 1000 square feet on the main floor of bi-level dwellings, and 1000 square feet in the upper two floors of tri-level dwellings; any 2 or 2½ story dwelling shall contain not less than 1800 square feet and the first floor shall contain not less than 1000 square feet.

(b) For Non-Waterfront Lots: Any one story dwelling erected upon any Non-Waterfront Lot shall contain not less than 1400 square feet; any 1½ story or bi-level or tri-level dwelling shall contain not less than 1600 square feet with at least 1000 square feet on the first floor in 1½ story dwellings, 1000 square feet on the main floor of bi-level dwellings, and 1000 square feet in the upper two floors of tri-level dwellings; any 2 or 2½ story dwelling shall contain not less than 1600 square feet and the first floor shall contain not less than 1000 square feet.

Section 8.3. Building Construction and Quality. All buildings and outbuildings erected upon any Lot shall be constructed of new material of good grade, quality and appearance and shall be constructed in a proper, workmanlike manner. No single-family residential dwelling costing less than (\$50,000.00) (in terms of 1994 dollar value) shall be permitted on any Lot. No building shall be erected unless it

is completely underpinned with a solid brick or brick, stone or stucco covered block foundation. The exterior surface of any building shall not be of asbestos shingle siding, imitation brick or stoneroll siding, or exposed concrete or cement blocks. The exterior surface of any garage, outbuilding or appurtenant structure or building erected on or located on any Lot shall be aesthetically compatible with, and of material and construction comparable in cost and design to, the exterior surface of the dwelling located on said Lot. All buildings shall have roofs (except for dormers) of not less than 6 in 12 pitch and not less than 12 inch overhang, covered with slate, cedar shakes, tile or fiberglass shingles. Tin or rolled roofing material is not permitted. The exterior of all houses and other structures must be completed within one (1) year after the commencement of construction, except where such completion is impossible due to strikes, fires, national emergency or natural calamities.

Section 8.4. Temporary Structures; Structure Materials. No residence or building of a temporary nature shall be erected or allowed to remain on any Lot, and no metal, fiberglass, plastic, vinyl or canvas tent, barn, carport, garage, utility building, storage building, boat dock roof structure, or other metal, fiberglass, plastic, vinyl or canvas structure shall be placed or erected on any Lot or attached to any residence. Provided, however, that nothing herein shall prohibit Declarant or an Approved Builder from erecting or moving temporary buildings or trailers onto the Lots owned by it, to be used for storage or for construction or sales offices.

Section 8.5. Building Setback Lines. No building on any Lot (including any stoops, porches, or decks) shall be erected or permitted to remain within the front setback line (as measured from the street right-of-way) or side setback (as measured from the street right-of-way for a corner Lot or the side lot line for a non-corner Lot) as such setbacks are noted on the Map. Notwithstanding any rear setback restriction noted on the Map, no building, including stoops, porches or decks (whether attached or unattached), shall be erected or permitted to remain nearer than fifty (50) feet to the rear (waterside) lot line of any Lot adjoining the Waters of Lake Keowee. For the purposes of this restriction, the waterside lot line shall mean the contour line of Lake Keowee as noted on the Map, the elevation of which may differ from Lot to Lot. Boathouses, piers and dock facilities are exempt from the rear setback restrictions provided they comply with the provisions set forth in Section 8.1. In the event any zoning or subdivision ordinance, floodway regulations or other ordinance, law or regulation applicable to a Lot shall prescribe greater setbacks, then all buildings erected during the pendency of that zoning or subdivision ordinance, floodway regulations or

other ordinance, law or regulation shall conform to said requirements.

Section 8.6. Minor Setback Violations. In the event of the unintentional violation of any of the building setback covenants set forth above, in the amount of ten percent (10%) or less of the setback covenant in question, the Association has the right, but is not obligated, to waive in writing such violation of the setback covenants upon agreement of the Owner of the Lot upon which the violation occurs, provided that such change is not in violation of any zoning or subdivision ordinance or other applicable law or regulation. Notwithstanding the foregoing, so long as Declarant owns a Lot in the Subdivision, all such waivers must be consented to in writing by Declarant.

Section 8.7. Combination or Subdivision of Lots. Except as otherwise set forth herein, no Lot shall be subdivided by sale or otherwise so as to reduce the Lot area shown on the Map. However, an Owner of a Lot may combine with a portion of or all of another contiguous Lot so long as the parcel or parcels which result from such combination do not violate any applicable zoning ordinance or other applicable law or regulation. In the event that two Lots are completely combined so as to create one parcel, the resulting parcel shall be considered as one Lot for the purposes of this Article 8, but shall continue to be considered as two Lots for all other purposes (including voting and assessments). Furthermore, the Owner of any Lot which combines with all or a portion of a contiguous Lot shall be solely responsible for any costs which may result from such combination, including the costs of relocating any existing easements. Notwithstanding the foregoing, Declarant reserves the right to change the boundaries or dimensions of any Lots still owned by Declarant or an Approved Builder as may be needed to meet septic system requirements or for any other reason and any Lot or Lots which result from such a change shall not be subject to any additional assessment.

Section 8.8. Utility Easements. Declarant hereby reserves easements for the installation and maintenance of utilities (electricity, septic system, sewer, water, gas, telephone, cable t.v., etc.) and drainage facilities are reserved over the front and rear ten (10) feet of each Lot and over the areas five (5) feet in width along each side lot line of each Lot. Additional drainage easements and utility easements are reserved as more particularly shown and delineated on the Map and in other recorded easement documents. Within such easements, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may

interfere with drainage and the flow of water within the easement areas. The Owner of each Lot shall maintain that portion of the Lot lying within the easement areas as defined herein and shall maintain any improvements located thereon except those improvements installed and maintained by a public authority or utility company. Declarant reserves the right to create and impose additional easements over any unsold Lot or Lots for street drainage, utility and entry signage installation purposes by the recording of appropriate instruments and the exercise of such right shall not invalidate any of these covenants or restrictions.

Section 8.9. Entrance Monument Easement. Declarant hereby reserves a non-exclusive perpetual easement for the purposes of landscaping and maintaining the entryway and erecting and maintaining the Entrance Monument for the Subdivision. An easement is hereby reserved by Declarant for itself, its successors in interest and assigns, and granted to the Association, over the Common Area labeled "COS" on the Map (adjacent to Lots 2, 3 and 4).

Declarant or the Association shall erect and maintain a stone monument with an entrance sign upon the Entrance Monument Easement. Entrance Signs shall be built to the applicable governmental standards for signs.

Section 8.10. Fences and Walls. Fences and walls may be constructed of wood, brick or stone. Chain link or other metal fencing is not permitted, except that 2" x 4" metal mesh may be used with split rail fencing to contain animals or children within rear or sideyards only. Perimeter fencing shall not have more than seventy percent (70%) of any of its surface closed as viewed from a point on a line of sight perpendicular to the line of the fence. A wall constructed of brick or stone and used in lieu of a fence is exempt from the openness test. No fences or walls greater than six (6) feet in height are permitted.

No fence or wall facing the street shall be erected on a Lot nearer the street right of way line than the front face of the dwelling located on such Lot, except for split-rail fencing or fencing not higher than 30" in height. In the case of a corner Lot, no sideyard fence or wall shall be erected nearer the street right of way line than the side of the dwelling located on such Lot, except for split-rail fencing or fencing no higher than 30" in height.

Section 8.11. Signs. No signs of any kind may be displayed to the public view on any Common Area other than the Entrance Monument as set forth in Section 8.9 above. No signs of any kind may be displayed to the public view on any Lot with

the following exceptions which may not exceed five square feet in size: (a) one sign located on a Lot advertising such Lot for sale; and (b) one sign located on a Lot used by an Approved Builder to advertise the Lot during the construction and sales period; and (c) temporary political signs located on Lots. These restrictions shall never apply to permanent Entrance Monuments, or to temporary entry signs or advertising by Declarant or an Approved Builder, or for sales signs installed by Declarant, or an Approved Builder or their agents prior to the sellout of the Subdivision.

Section 8.12. Antennas; Satellite Dishes or Discs. No freestanding radio or television transmission or reception towers, antennas, discs or satellite dishes may be erected or maintained closer than fifty (50) feet to the boundary (contour) line of Lake Keowee as noted on the Map, or within the front or sideyard setback line of any Lot, or within any area of the Lot which is visible from the Public Roads. All satellite dishes and discs greater than two (2) feet in diameter must be of the black mesh variety. Notwithstanding the foregoing, customary pole and boom roof-mounted antennas which may extend not more than ten (10) feet above the highest roof line ridge of the house are permitted.

Section 8.13. Lot Maintenance; Trash Disposal. Each Owner shall keep his Lot in a clean and orderly condition and shall keep the improvements thereon in a suitable state of painting and repair, promptly repairing any damage thereto by fire or other casualty. No clothesline may be erected or maintained on any Lot. No Lot shall be used in whole or in part for storage of trash of any character whatsoever and no trash, rubbish, stored materials or similar unsightly items shall be allowed to remain on any Lot outside of an enclosed structure, except when temporarily placed in closed, sanitary containers pending collection by trash collection authorities or companies.

Section 8.14. Offstreet Parking; Off-Water Boat Storage. Each Lot Owner shall provide a concrete or asphalt driveway which provides space for parking two automobiles off the street prior to the occupancy of any dwelling constructed on the Lot. No truck or commercial vehicle in excess of one-ton load capacity or any vehicle under repair, or any trailer, wrecked or junked motor vehicle shall be parked upon or permitted to remain on any Lot. No trailer, motor home, recreational vehicle, camper or boat shall be used as a residence either permanently or temporarily. All (permitted) trucks, trailers, campers, motor homes and recreational vehicles must have a current license plate affixed and must be parked either in an enclosed garage or on a concrete or asphalt pad or driveway in the back or side yard, but not inside the front, sideyard (with respect to corner Lots only), rear or fifty (50) foot waterside

setbacks. All automobiles must have a current license plate affixed and must be parked in a carport, enclosed garage, or on a concrete or asphalt driveway. Trailers of any type and boats on trailers shall be kept inside of an enclosed structure and not within the fifty foot (50') waterside setback.

Section 8.15. Sewage Disposal. Every dwelling unit erected on any Lot shall be served by an approved septic system for the disposal of sewage, or connected to a private or public sewage disposal system. All septic systems or other private sewage disposal systems shall be approved by, and constructed and maintained in accordance with all the regulations and requirements of all governmental authorities and regulatory agencies having jurisdiction.

Section 8.16. Nuisances. No noxious or offensive trade or activity shall be carried on upon any Lot or in any residential dwelling or outbuilding, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No substance, thing or material shall be kept upon any Lot that will emit foul or obnoxious odors, or that will cause any noise that will or might disturb the peace and quiet of the occupants of surrounding property. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot or in any residential dwelling or outbuilding except that dogs, cats, or other household pets may be kept or maintained provided they are not kept, bred, or maintained for commercial purposes. The number of household pets kept or maintained shall not exceed three (3) in number except for newborn offspring of such household pets which are under nine (9) months in age.

Section 8.17. Diligent Construction. All construction, landscaping or other work which has been commenced on any Lot must be continued with reasonable diligence to completion and no partially completed houses or other improvements shall be permitted to exist on any Lot, except during such reasonable time period as is necessary for completion. The exterior of any building must be completed within one (1) year from the date of commencement of construction. Any damage to any street, curb or sidewalk or any part of any Common Area or any utility system caused by an Owner shall be repaired by such responsible Owner. The Owner of each Lot shall at all times keep contiguous public and private areas free from any dirt, mud, garbage, trash or other debris which is occasioned by construction of improvements on such Owner's Lot. Declarant or the Association may provide for the cleaning of public and private areas due to the activities of the Owner and may assess the Owner a reasonable charge not to exceed the actual cost for such cleaning. Each Owner shall, consistent with standard construction practices, keep all portions of the Lot free of

unsightly construction debris and shall at all times during construction either provide dumpsters for the containment of garbage, trash or other debris which is occasioned by construction of improvements on a Lot, or take other measures consistent with standard construction practices necessary to keep the Lot free of such garbage, trash, or other debris. Each Owner shall be responsible for erosion control protection during any earth-disturbing operation. Owners shall implement erosion control practices as set forth on Exhibit "D" attached hereto and incorporated by reference herein.

Section 8.18. Public Water System. Declarant shall construct a water system in order to provide water supplies necessary to serve the Subdivision (the "Water System"). All water mains and pipes and other equipment necessary for the operation and maintenance of the Water System shall be located within the Utility Easements described in Section 8.8, or within public road rights-of-way. Upon its completion, the Water System and all mains, pipes, equipment and other personal property which is part thereof, shall become the property of Seneca Light and Water Department, a public utility company duly licensed and operating under the authority granted by the South Carolina Department of Health and Environmental Control. The Water System shall be the sole source of potable water for the Subdivision, and no well may be dug or constructed on any Lot for the purpose of providing domestic water supply.

Section 8.19. Removal of Trees and Other Vegetation. All trees, shrubs and ground cover within the 50' waterfront setback shown on the Map are considered to be "protected" vegetation in that cutting and clearing generally is not permitted therein without the prior written consent of Declarant or the Board of Directors. The practical exceptions to this rule are that dead or diseased trees may be removed, poisonous plants may be removed, underbrush may be selectively cleared, understory may be thinned to provide better views, individual trees may be limbed up, and grass or ground covers may be planted.

"Mature trees" inside the 50 foot waterfront setback as shown on the Map may not be cut down or otherwise removed without the specific written approval of the Declarant or the Association. "Mature trees" for purposes of this Declaration shall mean all evergreen or deciduous trees with a caliper of six (6) inches or greater.

Furthermore, in the event that trees, shrubs or ground cover is removed in connection with the improvement of any Lot, at least fifty percent (50%) of the area cleared of such vegetation (excluding built upon area) shall be replaced with grass (which grass shall be maintained upon such area) unless

Declarant or the Board of Directors approves an alternative landscaping plan in writing.

The Association shall have the authority but not the obligation, in its sole discretion, to assess penalties against an Owner who cuts, damages, or removes any trees, shrubs or other vegetation (i) from any Lot which it does not own, or (ii) from any part of the Common Area, or (iii) from its own Lot, contrary to the above provisions.

The penalties authorized in this Section 8.19 shall be considered Special Individual Assessments against the respective Owner's Lot, entitling the Association to the assessment collection remedies specified in Article 7 of this Declaration.

Section 8.20. Marine Toilets. No watercraft equipped with a marine toilet having a fixed or portable holding tank, or a through hull or overboard discharge toilet, shall be permitted at the Pier or Boatslips.

Section 8.21. Docks, Piers and Boat Houses. The owner of any Lot adjoining the waters of Lake Keowee may construct one (1) pier, provided that such Lot is not located in an area where the narrowness of a cove precludes construction of a dock or pier as determined by Duke Power Company and/or any governmental entity having jurisdiction at the time such improvements are to be constructed. Any waterfront improvement should have a low profile and open design to minimize obstruction of neighbors' views. Covered, enclosed or two-level docks or boat houses will not be allowed either on the water or within the fifty foot (50') waterfront setback.

All piers and docks shall be subject to approval by Duke Power Company and/or any governmental entity having jurisdiction at the time such improvements are made.

Section 8.22. Boat Ramps. No boat ramps of any kind shall be permitted on any Lot, and no boat shall be placed in (or removed from) the waters of Lake Keowee from any Lot; provided, however, small watercraft such as canoes, dingies, and jetskis may be launched from any Lot if launched without a ramp. All other watercraft shall be launched at public boat ramps outside of the Subdivision.

ARTICLE 9

INSURANCE

Section 9.1. Board of Directors. The Board of Directors shall obtain and maintain at all times insurance of the type and kind and in no less than the amounts set forth below:

(a) Fire. All improvements and all fixtures included in the Common Area, including but not limited to the Pier and Boatslips, and all personal property and supplies belonging to the Association shall be insured in an amount equal to 100% of the current replacement cost up to the amount specified in the insurance policy (exclusive of land, foundation, excavation and other normally excluded items) as determined annually by the Board of Directors with the assistance of the insurance company providing coverage. The Board of Directors shall, at least annually, review the insurance coverage required herein and determine 100% of the current replacement cost of such improvements and fixtures and personal property and supplies. Such coverage shall provide protection against loss or damage by fire, windstorm, vandalism and malicious damage and all perils covered by a standard "all risk" insurance policy. All such policies shall provide that adjustment of loss shall be approved by the Board of Directors and the insurance company. In addition to the provisions and endorsements set forth in Sections 9.3 and 9.4, the fire and casualty insurance described herein shall contain the following provisions:

(i) a waiver of subrogation by the insurer as to any claims against the Association, any officer, director, agent or employee of the Association, the Owners and their employees, agents, tenants and invitees; and

(ii) a provision that the coverage will not be prejudiced by act or neglect of one or more Owners when said act or neglect is not within the control of the Association or by any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control.

The property and public liability insurance policy shall not contain (and the insurance shall not be placed with companies whose charters or bylaws contain) provisions whereby: (1) contributions or assessments may be made against the Association, the Owners or the Mortgagees; (2) loss payments are contingent upon action by the carriers, directors, policy holders or members; and (3) there are limiting clauses (other than insurance conditions) which could prevent Owners or Mortgagees from collecting the proceeds.

(b) Public Liability. The Board of Directors shall also be required to obtain and maintain to the extent obtainable, public liability insurance in such limits as the Board of Directors may, from time to time, determine to be customary for projects similar in construction, location and use to the Development, covering each member of the Board of Directors, the managing agent, if any, and each Owner with respect to his liability arising out of the ownership,

maintenance, or repair of the Common Areas; provided, however, that in no event shall the amounts of such public liability insurance ever be less than \$1,000,000 per occurrence against liability for bodily injury, including death resulting therefrom, and damage to property, including loss of use thereof, occurring upon, in or about, or arising from or relating to, the property or any portion thereof. Such insurance shall include endorsements covering cross liability claims of one insured against another, including the liability of the Owners as a group to a single Owner. The Board of Directors shall review such limits annually. Until the first meeting of the Board of Directors following the initial meeting of the Owners, such public liability insurance shall be in amounts of not less than \$1,000,000 per occurrence for claims for bodily injury and property damage.

(c) Fidelity Coverage. The Board of Directors shall also be required to obtain fidelity coverage against dishonest acts on the part of all persons, whether officers, directors, trustees, employees, agents or independent contractors, responsible for handling funds belonging to or administered by the Association, in an amount determined by the Board of Directors in its discretion. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

(d) Other. Such other insurance coverages, including flood insurance and worker's compensation, as the Board of Directors shall determine from time to time desirable.

Section 9.2. Premium Expense. Premiums upon insurance policies purchased by the Board of Directors shall be paid by the Board of Directors and charged as a common expense to be collected from the Owners pursuant to Articles 5 and 6 hereof.

Section 9.3. Special Endorsements. The Board of Directors shall make diligent effort to secure insurance policies that will provide for the following:

(a) recognition of any insurance trust agreement entered into by the Association;

(b) coverage that may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least forty-five (45) days' prior written notice to the named insured, any Insurance Trustee and all Mortgagees; and

(c) coverage that cannot be cancelled, invalidated or suspended on account of the conduct of any officer or employee

of the Board of Directors without prior demand in writing that the Board of Directors cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, any Owner or any Mortgagee.

Section 9.4. General Guidelines. All insurance policies purchased by the Board of Directors shall be with a company or companies licensed to do business in the State of South Carolina and holding a rating of "A-10" or better by the current issue of Best's Insurance Reports. All insurance policies shall be written for the benefit of the Association and shall be issued in the name of and provide that all proceeds thereof shall be payable to the Association. Notwithstanding any of the foregoing provisions and requirements relating to insurance, there may be named as an insured, on behalf of the Association, the Association's authorized representative, who shall have exclusive authority to negotiate losses under any policy providing such insurance.

Section 9.5. Owner's Personal Property. The Association or the Declarant shall not be liable in any manner for the safekeeping or conditions of any boat or other personal property belonging to or used by any Owner or his family, guests or invitees, located on or used at the Pier, Boatslips, or other Common Areas. Further, the Association or the Declarant shall not be responsible or liable for any damage or loss to or of said boat, its tackle, gear, equipment or other property located thereon, or any other personal property of any Owner, his family, guests or invitees located on or used at the Pier, Boatslips or other Common Areas. Each Owner shall be solely responsible for all such boats and other personal property and for any damage thereto or loss thereof, and shall be responsible for the purchase of, at such Owner's sole cost and expense, any liability or other insurance for damage to or loss of such property. Every Member of the Association is required to submit to the Association a Certificate of Insurance showing proof of boat liability insurance coverage at the time of initiating the use of the Pier and Boatslips; however, the Association shall not be liable to third-party tort victims for its failure to enforce this requirement.

ARTICLE 10

RIGHTS OF MORTGAGEES

Section 10.1. Approval of Mortgagees. Unless at least seventy-five percent (75%) of the Mortgagees holding Mortgages on Lots located within the Development then subject to the full application of this Declaration, have given their prior written approval, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association (the granting of easements for utilities or other purposes and the transfer of Boatslips pursuant to the terms of this Declaration shall not be deemed a transfer within the meaning of this clause);

(b) change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner;

(c) fail to maintain fire and extended coverage insurance on insurable improvements in the Common Area on a current replacement cost basis in an amount not less than 100% of the insurable value as set forth in Article 9; or

(d) use the proceeds of any hazard insurance policy covering losses to any part of the Common Area for other than the repair, replacement or reconstruction of the damaged Common Area or other common amenities.

Section 10.2. Additional Rights. Any Mortgagee shall have the following rights, to wit:

(a) to be furnished at least one copy of the annual financial statement and report of the Association, such annual statement and report to be furnished within ninety (90) days following the end of each fiscal year;

(b) to be given notice by the Association of the call of any meeting of the Association's membership, and to designate a representative to attend all such meetings;

(c) to be given prompt written notice of default under the Declaration, the Bylaws or any rules and regulations promulgated by the Association by any Owner owning a Lot encumbered by a Mortgage held by the Mortgagee, such notice to be sent to the principal office of such Mortgagee or the place which it may designate in writing;

(d) to be given prompt written notice of any casualty loss to the Common Areas, or loss by eminent domain or other taking of (i) the Common Areas or (ii) any Lot encumbered by a Mortgage held by the Mortgagee;

(e) to be given prompt written notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(f) to be given prompt written notice of any eminent domain or condemnation proceeding affecting the Property; and

(g) to be given prompt written notice of any action which requires the consent of all or any portion of the Mortgagees as specified herein.

Whenever any Mortgagee desires the provisions of this Section to be applicable to it, it shall serve or cause to be served written notice of such fact upon the Association by Certified Mail, return receipt requested, addressed to the Association and sent to its address stated herein, identifying the Lot or Lots upon which any such Mortgagee holds any Mortgage or identifying any Lot owned by it, together with sufficient pertinent facts to identify any Mortgage which may be held by it and which notice shall designate the place to which notices are to be given by the Association to such Mortgagee.

Section 10.3. Books and Records. Any Mortgagee will have the right to examine the books and records of the Association during any reasonable business hours.

Section 10.4. Payment of Taxes and Insurance Premiums. The Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge or lien against the Common Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy for property owned by the Association and the persons, firms or corporations making such payments shall be owed immediate reimbursement therefor from the Association.

ARTICLE 11

CONDEMNATION

Section 11.1. Partial Taking Without Direct Effect on Lots. If part of the Property shall be taken or condemned by any authority having the power of eminent domain, such that no Lot is taken, all compensation and damages for and on account of the taking of the Common Area, exclusive of compensation for consequential damages to certain affected Lots, shall be paid to the Board of Directors in trust for all Owners and their Mortgagees according to the loss or damages to their respective interests in such Common Area; provided, however, that all compensation and damages for and on account of the taking of the Pier and Boatslips shall be paid to the Board of Directors in trust for the benefit of the affected Boatslip Lot Owners. The Association, acting through the Board of Directors, shall have the right to act on behalf of the Owners with respect to

the negotiation and litigation of the issues with respect to the taking and compensation affecting the Common Area, without limitation on the right of the Owners to represent their own interests. Each Owner, by his acceptance of a deed to a Lot, hereby irrevocably appoints the Association as his attorney-in-fact to negotiate, litigate or settle on his behalf all claims arising from the condemnation of the Common Area. Such proceeds shall be used to restore the Common Area with the excess, if any, to be retained by the Association and applied to future operating expenses by the Board of Directors, in its sole discretion. Nothing herein is to prevent Owners whose Lots are specifically affected by the taking or condemnation from joining in the condemnation proceedings and petitioning on their own behalf for consequential damages relating to loss of value of the affected Lots, or improvements, fixtures or personal property thereon, exclusive of damages relating to the Common Area. In the event that the condemnation award does not allocate consequential damages to specific Owners, but by its terms includes an award for reduction in value of Lots without such allocation, the award shall be divided between affected Owners and the Association, as their interests may appear, by the Board of Directors in its sole discretion.

Section 11.2. Partial or Total Taking Directly Affecting Lots. If part or all of the Property shall be taken or condemned by any authority having the power of eminent domain, such that any Lot or a part thereof (including specific easements assigned to any Lot) is taken, the Association shall have the right to act on behalf of the Owners with respect to Common Area as provided in Section 11.1 and the proceeds shall be payable as outlined therein. The Owners directly affected by such taking shall represent and negotiate for themselves with respect to the damages affecting their respective Lots. All compensation and damages for and on account of the taking of any one or more of the Lots, or improvements, fixtures or personal property thereon, shall be paid to the Owners of the affected Lots and their Mortgagees, as their interests may appear. If all of the Property shall be taken such that the Association no longer has reason to exist and shall thereafter be dissolved and/or liquidated, all compensation and damages for and on account of the taking of the Common Area shall be distributed with the other assets of the Association in accordance with the Articles of Incorporation.

Section 11.3. Notice to Mortgagees. A notice of any eminent domain or condemnation proceeding shall be sent to all Mortgagees who have served written notice upon the Association in accordance with Section 10.2 hereof.

ARTICLE 12

GENERAL PROVISIONS

Section 12.1. Enforcement. Declarant, being the developer of other subdivisions in the area of the Subdivision, wishes to maintain a high standard in the appearance and quality of the Subdivision. Though damages would be difficult to measure, the failure of the Owners and the Association to abide by the terms, covenants and restrictions contained in this Declaration would result in irreparable damage to Declarant and its reputation. Accordingly, Declarant, during the term of this Declaration as set forth in Section 12.4, as well as the Association or any Owner or Owners, shall have the right to enforce all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration by proceeding at law or in equity against any person or persons violating or attempting to violate any such restriction, covenant, reservation, lien or charge, either to restrain violation thereof or to recover damages therefor. Each Owner and the Declarant shall have all appropriate remedies at law or in equity to enforce the provisions of this Declaration and the Bylaws and any duly authorized rules and regulations governing the Development against the Association.

In addition, the Association hereby covenants and agrees that it shall exercise its power of enforcement hereunder in order to maintain a first class subdivision in appearance and quality, and that it shall, upon the request of Declarant, enforce any restriction, condition, covenant or reservation contained in this Declaration deemed by Declarant, in its sole discretion, to have been violated, using all remedies available to the Association at law or in equity. The Declarant hereby reserves the right and easement to go upon any portion of the Common Area at any time in order to repair and maintain such Common Area where needed, in Declarant's sole discretion, to bring such Common Area within the standards required by Declarant. Should Declarant so go upon the Common Area to perform maintenance and repairs for such purpose, the Association hereby agrees to reimburse Declarant in full for the cost of such maintenance and repairs, upon receipt of a statement for such cost from Declarant. Failure by Declarant, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 12.2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any other provisions which shall remain in full force and effect.

Section 12.3. Amendment. The covenants, conditions and restrictions of this Declaration may be amended at any time and from time to time by an agreement signed by Owners holding a majority of votes appurtenant to the Lots which are then subject to this Declaration subject to the following conditions:

(a) all additions or amendments must be consented to by Declarant in writing so long as Declarant is the owner of any Lot in the Development;

(b) any addition or amendment materially affecting the Boatslip Lot Owners' rights to use the Pier, Boatslips, Boatslip Path, Boatslip Path or the Boatslip or Special Boatslip Assessment provisions of this Declaration must also be approved by a vote of a majority of the votes appurtenant to the Boatslip Lots;

(c) notwithstanding anything in this Section 12.3 to the contrary, Declarant may, at Declarant's option, amend this Declaration without obtaining the consent or approval of any other person or entity if such amendment is necessary to cause this Declaration to comply with the requirements of FHA, VA, the Federal National Mortgage Association or other similar agency or if such amendment is solely for the purpose of correcting typographical errors contained herein;

(d) no amendment shall become effective until the instrument evidencing such change has been filed of record.

Section 12.4. Term. The covenants and restrictions of this Declaration are to run with the land and shall be binding upon all parties and all persons claiming under them for a period of 25 years from the date this Declaration is recorded; after which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless an instrument signed by two-thirds (2/3) of the then Owners of the Lots, plus Declarant, has been recorded, agreeing to terminate said covenants and restrictions in whole or in part. Provided, however, that the residential use restrictions set forth in Section 8.1 of this Declaration shall run with the land and shall be binding upon all parties and all persons claiming under them in perpetuity. Notwithstanding any provision in this Declaration to the contrary, all powers of appointment reserved by Declarant pursuant to this Declaration, including, without limitation, Declarant's and Approved Builder's power to designate Boatslips as set forth in Section 4.8, shall expire not later than twenty-one (21) years from the date of the death of the last to die of the now living grandchildren of George Herbert Walker Bush, past President of the United States.

IN WITNESS WHEREOF, the Declarant has caused this instrument to be executed by its officers thereunto duly authorized and its corporate seal to be hereunto affixed, all the day and year first above written.

Section 3.1. Annual Meetings. The first annual meeting of the Members shall be held on the first (1st) Tuesday in May of 1995 or on such other date as determined by a vote of the

Board of Directors, and each subsequent regular annual meeting of the Members shall be held on the first (1st) Tuesday in April each year thereafter, at the hour of 7:00 o'clock, P.M. If the day for the annual meeting of the Members is a legal holiday, the meeting will be held at the same hour on the first day following which is not a legal holiday.

Section 3.2. Special Meetings. Special meetings of the Members may be called at any time by the President or by the Board of Directors, or upon written request of the Members who are entitled to vote one-fourth (1/4) of all of the votes appurtenant to the Lots.

Section 3.3. Meetings of Boatslip Lot Owners. Meetings of the Members owning Boatslip Lots may be called at any time by the President or by the Board of Directors, or upon written request of the Members who are entitled to vote one-fourth (1/4) of all of the votes appurtenant to the Boatslip Lots, for the purpose of discussing and voting on matters affecting the Boatslip Lots, the Pier or Boatslips. Such meetings may be held at the annual meeting of the Members or at a special meeting of the Members owning Boatslip Lots.

Section 3.4. Place of Meetings. All meetings of the Members and the Members owning Boatslip Lots shall be held at such place, within Mecklenburg County, North Carolina or Oconee County, South Carolina, as shall be determined by the Board of Directors of the Association.

Section 3.5. Notice of Meetings. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting.

Section 3.6. Classes of Lots and Voting Rights. The voting rights of the Membership shall be appurtenant to the ownership of Lots. There shall be two classes of Lots with respect to voting rights.

(a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as defined below. Each Class A Lot shall entitle the Owner(s) of said Lot to one (1) vote. When more than one person owns an interest (other than a

leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to said Lot shall be exercised as they, among themselves, determine, but in no event shall more than one (1) vote be cast with respect to any Class A Lot.

(b) Class B Lots. Class B Lots shall be all Lots owned by Declarant or its affiliates or an Approved Builder. Declarant shall be entitled to four (4) votes for each Class B Lot which each party owns.

Section 3.7. Relinquishment of Control. The Class B shall automatically convert to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) when the number of votes in the Class A membership held by Owners occupying full-time homes in the Subdivision equals the total number of votes outstanding in the Class B membership and no Additional Property remains which may be made subject to the terms of the Declaration; or
- (b) upon the expiration of five (5) full years after the registration of this Declaration, unless Declarant, in its sole discretion, elects to convert the Class B Lots to Class A Lots at an earlier time.

Section 3.8. Quorum. The presence at the meeting of Members entitled to cast, or of proxies entitled to cast, one third (1/3) of the votes appurtenant to the Lots (or to the Boatslip Lots, if a meeting of the Members owning Boatslip Lots) shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, subsequent meetings may be called, subject to the same notice requirement, until the required quorum is present. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 3.9. Proxies. At all meetings of Members, each Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of his Lot.

meeting of the Members at which a quorum is present shall be regarded as the act of the Members.

Section 3.11. Action by Members Owning Boatslip Lots. Except as otherwise provided in the Articles of Incorporation, the Declaration or the Bylaws, any act or decision approved by a vote of no less than two-thirds (2/3) of all votes present at a duly held meeting of the Members owning Boatslip Lots at which a quorum is present shall be regarded as the act of such Members.

Section 3.12. Waiver of Notice. Any Member may, at any time, waive notice of any meeting of the Members or Members owning Boatslip Lots in writing and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Member at any meeting of the Members or Members owning Boatslip Lots shall constitute a waiver of notice by him of the time and place thereof except where a Member attends a meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called.
